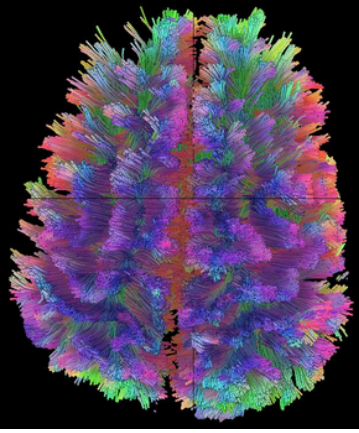
TANUSHREE L

- Junior Research Fellow (JRF)
- Department of Neuroimagging and Interventiona Radiology (NI&IR)
- National Institute of Mental Health amnd neuroscience (NIMHANS)
- e-mail : tanushreelogukavi@gmail.com
- Github : https://github.com/TanushreeLogukavi



Academic Sumary

- Msc intership done in IIT Bombay as "FOSSEE SUMMER FELLOW 2023" under guidance of Dr. Kannan Moudgalya and Ms. Madhuri.
- MSc Mathematics Year of Graduation: July 2024
- Joined as JRF under Dr. Rajan Kashyap at NIMHANS on Apr 2024

Core Technical Skills

- Programming & Software: Python (ML Models, DL Models, AI Models), MATLAB (toolbox setup), Linux (pipeline set up), iSATA (Toolbox creation) , GeoGebra (Mathematical model stimulations creation).
- Neuroimaging: fMRI, MRI, DTI experience with large neuroimaging dataset.

Professional Experience

2023

- 15 projects in mathematical modeling using GeoGebra got published in FOSSEE open source website.

2024

- MSc thesis on “FFT Based Algorithm In Smart Watches For Disabled Person” which got presented in an International conference but not got published.
- Under Dr. Rajan Kashyap collaborating with Dr. Sagarika Bhattacharjee helped in NIFD data analysis the paper got accepted in JAMA soon to be published.

2025

- I have contributed to the understanding of the data in the paper titled “Longitudinal evaluation of common and unique brain-networks in variants of primary progressive aphasia” published on Alzheimer's Research & Therapy (2025)
- I worked on 3 reserch papers in collaboration with AI4BNT and CNPN labs.

2026

- 1 paper in review stage , 2 papers ongoing (expected 3 research papers published this year.
- Individual - Systematic Approach For tDCS Analysis (i-SATA) Network level analysis toolbox creation for both MATLAB and Python version.

Education

- MSc in Mathematics | Avinashilingam Institute, Coimbatore (First Class - 68%) | July 2024
- BSc in Mathematics | Avinashilingam Institute, Coimbatore (First Class -78%) | July 2022

Certifications & Awards

- Computational Neuroscience Summer School: Ulster University (ISRC-CN3).
- Mathematics for Machine Learning (Linear Algebra): Imperial College London (via Coursera).
- MSc Thesis: "FFT Based Algorithm In Smart Watches For Disabled Person" (Presented at International Conference).

Relevant Skills

- Passion
- Python
- Matlab
- ML modeling
- DSI studio
- FMRI
- Love to learn new skills

Extracurricular activities

- Love trekking, cycling (Personal record 55km working on 100km), Badminton, Cricket (spinner), reading, Writing, Bathing elephants etc..(a lot in bucket list to explore)
- Published 4 anthology poems and book available at amazon (Book name : Spellbound)
- Prizes, (Since there is more college certificates in extracurricular activities check below Google drive link)
- https://drive.google.com/drive/folders/1E1AKsLuNl_wPCO68w_RUK-bwUMfGUiS5

CONTACT OF REFEREES

Dr. Rajan Kashyap
Assistant Professor
DBT-Ramalingaswamy re-entry fellow
Department of NI&IR
NIMHANS
Bengaluru-560029

Email id: **rajankashyap6@gmail.com**

Dr. Sagarika Bhattacharjee (M.B.B.S, M.D., Ph.D.)
Assistant Professor
DBT-Ramalingaswamy re-entry fellow
Department of Physiology
AIIMS Madurai

Email id: **bhattacharya.sagarika7@gmail.com**
